## NOTES

### Area of Cover

The agreed Area of cover is shown in the Insurance Certificate.

### Treatment Guarantee/Pre-authorisation

Treatment Guarantee/Pre-authorisation is a process whereby we guarantee cover for certain treatment and costs, as indicated in the Table of Benefits with a **1** or a **2**. If Treatment Guarantee is not obtained for the benefits listed with a **1**, we reserve the right to decline your claim. If the treatment is subsequently proven to be medically necessary, we will only pay **80%** of the eligible benefit, and for those listed with a **2**, we will only pay **50%** of the eligible benefit. For further details please refer to the "How to Claim" Section of the Individual Benefit Guide, or simply contact the Helpline.

### Chronic Conditions

Chronic conditions are covered within the terms of your policy.

### Pre-existing Conditions

Pre-existing conditions (including any pre-existing Chronic Conditions) are covered within the terms of your policy.

### Waiting Periods

There are no waiting periods to qualify for covered benefits.

### Benefit limits

There are two kinds of benefit limits shown in the Table of Benefits. The **maximum plan benefit**, which applies to certain plans, is the maximum we will pay for all benefits in total, per member, per Insurance Year, under that particular plan. Some benefits also have a **specific benefit limit**, for example 'Routine Maternity'. Specific benefit limits may be provided on a "per Insurance Year" basis, a "per lifetime" basis or on a "per event" basis, such as per trip, per visit or per pregnancy. Where a specific benefit limit applies or where the term "Full refund" appears next to certain benefits, the refund is subject to the maximum plan benefit, if one applies to your plan(s). The currency is determined by the agreed currency for premium payment. All limits are per member, per insurance year, unless otherwise stated in your Table of Benefits.

### Termination of Cover

The insurance coverage ends at the same date the employment contract of the member is terminated.

### Policy Terms and Conditions

The Table of Benefits provides an outline of the cover we offer under your policy. Please note that cover is subject to our standard policy definitions, limitations and exclusions. These are detailed in our Individual Benefit Guide, which is issued to members upon policy inception. A copy of the Individual Benefit Guide can be obtained via [www.pantaenius.at](http://www.pantaenius.at).

### Emergency

Emergency constitutes the onset of a sudden and unforeseen medical condition that requires urgent medical assistance. Only treatment commencing within 24 hours of the emergency event will be covered.

### Race Crew

Contrary to No. 19 of the General Conditions, professional yachting sports are covered. However, cover does not apply to crew members who participate in major races, such as, but not limited to, the America's Cup and the Volvo Ocean Race, on vessels that were specifically built and constructed in order to take part in these races.
